

Now live. 6- month PPP for non-QM.

6-month Prepayment Penalty is available for all non-QM products.

A new prepayment type. Better pricing for you.

Rocket Corr+ now accepts the 6-month interest prepayment type on non-QM. If the penalty is triggered, it equals six months of interest on the amount prepaid. Your borrower takes the penalty in exchange for a lower rate; you pick a term from 1 to 5 years, and the longer it runs, the more we pay for the loan.

If you're already originating these loans and selling them elsewhere, you now have another buyer. Select it in MOXI like any other prepayment option. Eligibility and state availability are in the Non-QM product guidelines.

Price today in MOXI or contact your Account Executive to get started.
